Dear Families and Friends,

It is with mixed emotions that I write this letter. I have known all of you over the twenty two years that I have been with New Beginnings. You have allowed me to be with you during your journey of having your family grow through adoption.

I have reached a time in my life when I feel the need to divide my time differently. My husband has been retired for a few years and has dreams of doing some traveling. My three year old grandson has begun to call me and ask, "Grandma, when are you coming to play with me?" These are two very tempting invitations.

I will be leaving New Beginnings at the end of this month. I want to thank all of you for giving me the privilege and the pleasure of being a part of your life. Your families have grown right before my eyes. It still surprises me when I see the teenagers and young adults that I saw arrive home as babies. You have become a part of the wonderful memories I will have of these years and you will be in my heart forever. For those of you currently in the process know that the staff at New Beginnings is ready to help you complete your journey.

Thank you again and please know that my best wishes are with all of you. I look forward to see you at the Holiday Party.

Sincerely,

Cathleen Danowski
